

#Christmas2016 #WishList #BeenVeryGood

Dear Santa...Baby,

Yes we've been good this year, very good! Now we're ready to play. Here's what's on our Christmas wish list:

1 A getaway to Branson during Ozark Mountain Christmas! In November and December the whole town lights up with sparkling stages filled with glorious music, festive dancing, and holiday cheer. And the stars create special Christmas shows that are unique and original experiences for the whole family.

2 While in Branson, we want to experience those Christmas Shows! Why Santa, a little bird even told us...that you vacation in Branson...and when you do you bring Mrs. Claus...and you go to ALL the shows. We want to see the magical wonderlands created on the theater stages, hear those beloved Christmas songs, and celebrate the Reason for the season.

3 All I want for Christmas is two front seats at the Hughes Brothers Christmas Show! From beginning to end this show is all about Christmas and family! From treasured family traditions to the inspiring vocal harmonies to the live nativity scene created as Santa explains the symbols of Christmas, this show is a triumph of everything you want to feel at Christmas time!

4 Okay we want two front seats to the Grand Jubilee too! We'll have a Merry Little Christmas as we enjoy the tight harmonies and dynamic performances by the incredible quartet New South, plus the spectacular music, great harmonies, family comedy and Ozarks hospitality made famous by one of Branson's longest performing shows. Along with enjoying Christmas we'll also enjoy show favorites from throughout the year.

5 Alright, alright...we want a couple of front row seats to see the Dutton's Christmas Show too! As one of the famous (and first) Branson shows featured on America's Got Talent, the Duttons offer a unique Christmas show filled with every type of instrument and all different genres of music. We read that the Duttons are "showmanship personified" and we want to find out for ourselves! Besides Santa we saw you on stage fiddlin' with them!

So Santa, send us to Branson to see the shows, where everybody goes **Ho! Ho! Ho!**

Your favorite **Elves!**
